SUPERSTAR AWARD

1. **It is for students:**
   - consistently using the 5Cs everywhere and at all times!
   - being a Role Model for other students
   - on Responsible Behaviour Levels or above
   - who meet the above criteria and therefore **not** all students may become a Superstar.

2. **A SUPERSTAR** award differs from a Student of the Week award in the following ways:
   - A SUPERSTAR award is a prestigious award
   - A SUPERSTAR award is for consistent exemplary behaviour upholding the 5Cs everywhere and over time (not one week!)
   - A Student of the Week award is an encouragement award
   - Students can become a Superstar more than once during the year

3. **SUPERSTAR** awards are presented on Assembly each Friday. All parents and caregivers are invited to attend this celebration.
